

Petersen Partners, INC.
Berkshire Hathaway HomeServices Georgia Properties

Lee Anne Moorer, REALTOR®

Lee Anne Moorer, a REALTOR® with Berkshire Hathaway HomeServices Georgia Properties, joined the Petersen Partners team in January, where she specializes in residential real estate sales. While her area of expertise is primarily in Cobb and surrounding areas, she readily serves clients in the surrounding Metro Atlanta area.

Prior to real estate, Lee Anne worked in pharmaceutical sales and management at Sanofi where she was responsible for growing sales in Georgia and Florida, hiring and training new sales professionals, and leading teams in new product launches. As a result of this sales experience, she has a seasoned perspective on how to uncover client needs and find solutions to those needs.

Lee Anne has been a proud Smyrna and Atlanta resident for over 20 years. She is an alumnus of University of Georgia - Go Dawgs! - where she received a BBA degree in Marketing. In her free time, she loves to hike with her son and two dogs, and try her hand at acrylic painting. She also loves to volunteer at church and at the neighborhood school. Ask her about her skiing adventures! She's got some stories to tell.
